

THURSDAY, FEBRUARY 17TH – **REVISED** DEADLINE DATE

TURN IN YOUR SCOUT'S NAT'L JAMBOREE BAR-CODED MEDICAL FORMS

Your BSA Orange County Council has revised the deadline date for all Jamboree Scoutmasters to turn in their troop's Nat'l Jamboree Bar-coded Medical Forms to the council. (The council has their own deadline date to submit the forms for all nine Jamboree Troops to National.)

To meet the new deadline your Jamboree Scoutmaster, Scott Maccarthy has set **Wednesday February 17th as Troop 812's New Deadline Date** to turn the completed forms into him. You can of course give them to him anytime prior to that date.

As instructed in previous emails, and Troop Committee Meetings, you must register your scout with the National Council online through the www.myscouting.org website before National will email your scout's personal BSA Jamboree Bar-coded Medical Form to you. **(See Instructions Attached)** Once you register, Nat'l states it will take 2-3 weeks before you receive the Medical Form and your Password to open the form. **If you have not yet registered your son you need to do so immediately.** The instruction for registering is also posted on the Troop 812 Website in "FORMS."

In order to meet our Scoutmaster's Deadline Date everyone must do the following:

1. Immediately Register your scout for the National Jamboree at www.myscouting.org. **(See Instructions Attached)**
2. Wait 2-3 weeks to receive your scout's 3-part Bar-coded Medical Form and Password. (It could take longer).
3. Parents complete and sign Parts A & C.
4. Schedule a Physical Exam for your son. Your Physician must complete and sign Part B.
5. Turn in your scout's completed medical form to Scott Maccarthy **on, or before, February 17th 2010.**

(Be sure to make a copy for your records.)

*** Scott requests that all families send an email to him when you have completed the first 4 steps so he can track the troop's progress in completing these important forms. ***
