Scoutmaster's Health and Medical Safety Binder Forms

To: All Jamboree Troop 812 Families:

Our Jamboree Troop 812 Scoutmaster Scott McCarthy would like to significantly increase the level of "health and medical safety" for our scouts during the Jamboree Year, especially during their two week 2010 Travel, Tour and Jamboree experience. To accomplish this Scott has asked the Program Subcommittee to develop a **Scoutmaster's Health and Medical Safety Binder** for each of our Scoutmasters to have with them at all times. The binder must be small and light enough to carry in a daypack and will include three important items for each of the 36 Scout's: 1. Health/Medical/Emergency Information 2. Medical Insurance Card and 3. Photo ID.

In order to meet Scott's request we need each family to provide the 3 items for inclusion in the binder:

Scoutmaster's Health and Medical Safety Binder:

1. Troop 812 Health/Medical/Emergency Information Form (2 pages).

The attached PDF is the information form in a "Fillable" PDF format meaning you will be able to type the information right into form fields with your computer keyboard. You can use the "Tab" key to move sequentially through the fields and "right click" your mouse in the field where check marks are requested.

After completing the form double check the content for accuracy. Print at least two copies, one to turn in and one to keep for future reference. Unfortunately, this affordable but limited "Fillable PDF" program does **not** let you "save" the information you entered into the form. **When you close the file form all the data you entered into the form will be deleted...so be sure to print your copies of the completed document before you close the form.**

Important Note: It is extremely important that the scoutmasters have current and accurate information at all times on every scout. There will surely be some scout families that will need to update their information during the year leading up to the National Jamboree. **If this occurs you will need to complete and turn in a new form ASAP.** We will be using a small ring binder so that we can replace the outdated information pages in each of the scoutmasters binders. If you need this "Fillable" PDF Form again you can access the "FORMS" page on the Troop 812 website or email a request to me to email you the form. (The forms you submit will be reduced in size to fit into the binder which will be about 30% the size and weight of a full size binder, so please print your forms at a normal, full size page.)

2. Medical Insurance Card One copy of both (**Front and back**)

3. Photo ID One copy of any photo ID; driver's license, school ID, etc.

DUE DATE: Please bring all three items to the **OCTOBER COMMITTEE/SCOUT MEETING** on **OCTOBER 22nd**. If you will not be attending please have your scout bring it with him. You may also scan and email the forms to me. Please Do Not fax the forms as the quality of fax transmissions can vary.

(For Scoutmasters and Subcommittee Chairs - Thanks to those of you that completed the first "test" form. However, since the PDF Form has been revised to include an Informed Consent Agreement you will need to complete the New Form.)

Please contact me if you have any questions .
